Oldbrook News

CHAIR OF GOVERNORS MESSAGE

To all parents and carers

The school governors meet once each half term to support and challenge your school leaders to ensure your children get the very best from their experience of Oldbrook School.

We would welcome the views of parents and carers to help us ensure your child gets quality education and develops as an individual.

To help us do this we need parent governors on our governing board. If you are interested in becoming a parent governor and would like to know more about how you can make a contribution to the work of our school please contact the school office or Mr Hopkins. I would be happy to meet interested parents or carers for a brief chat about being a governor if that would be helpful.

Janet Haines (Chair of Governors)

twitter

Thank you to the 10 parents who are now following us on twitter! If you have not already done so please follow us—you can find us by searching for @OldbrookSchool.

We will be tweeting regularly about things that are happening in school as well as posting reminders for school events and trips.

STORY UNDER THE STARS

Thank you to all Year 2 children who recently attended story under the stars. The children thoroughly enjoyed themselves hearing stories read to them. Developing a 'love of reading' is so important for children and a big part of this is having stories read to them. A big thank you to the Year 2 team and staff who organised this event.

BEFORE AND AFTER SCHOOL

All children must be supervised at all times before and after school whilst on the school premises to ensure everybody's safety. Whilst on the premises we expect all community members to support our promotion of positive, healthy relationships and restorative practices. Abusive behaviour including swearing and intimidation will not be tolerated and may result in a fine or a ban from entering the school site under Section 547 of the 1996 Education Act.
