Respect on the playground

The playground is a place where we as adults are role models for all the children. At Oldbrook school we expect adults to use appropriate language [no swearing] and behaviour at all times. I understand that just like the children we have different friendships and don't all get on together but please can I ask that adults are respectful to one another whilst at school and especially on the playground where young children are playing.

Attendance

Well done to all pupils who managed to attend school as regularly as possible last term and to their parents who enabled this to happen. The schools overall attendance percentage up until Spring 2 is 94.55% which is below the Government goal of 96%. Please ensure your child attends school every day so that we can achieve the Government target. Attendance badges were awarded to all the children who managed to come to school every day during Term 4 and certificates to those children with excellent attendance. This was an amazing 55.% of the school. There are still 2 different coloured badges that can be collected throughout the rest of the year. Children can wear their new badges for the rest of this term on their school jumpers in recognition of their achievement. I would like to offer my congratulations to the following children who came to school every day in Term 4.
