

HEADTEACHER'S MESSAGE

Welcome back to the new term. I hope that you all had a restful and enjoyable half term last week. We are all looking forward to another exciting and busy term ahead where the children will continue their learning journeys as we lead up to Christmas. This term there will be a range of parent workshops looking at strategies used in school to teach your children and ideas which can be used at home to support your child's learning. Please see letters sent out before half term for more information.

The children learnt lots about Diwali on the last day of term and how this festival is celebrated. It was great to have so many parents, family members and ex-parents come into school to support the children's understanding. The dancing was fantastic, well done to all the mums and staff who took part in this. Thank you to Kamalaathmika and her father for singing and to Darren in Year 2 for his accomplished keyboard playing. The kind donations of food for the children and offerings at the coffee morning were very much appreciated. Well done to our amazing, talented community.

Thank you to all parents who completed the questionnaires during parents' evening. It was lovely to read so many positive comments and also ways that we can improve what we offer as a school.

This week in school is Everybody Writes Week. You may have noticed the cage that appeared on the school field with a bone inside! This is a teaching method to support children with their writing and imagination skills. Please encourage them to talk to you at home about what they are learning this week. Please also check the school website regularly for updates at www.oldbrookschool.co.uk.

Mr Hopkins
Headteacher

ATTENDANCE

Well done to all pupils who managed to attend school as regularly as possible last term and to their parents who enabled this to happen. The school's overall attendance percentage for Term 1 was 95%. As a school we need to ensure that the attendance figure is inline with the government guideline of 96%+ to enable all pupils to continue to make the most progress that they can. As in previous letters term time holidays will not be authorised and will result in a fixed penalty fine from Milton Keynes Council.

Our attendance teddy Rex, has been awarded to classes last term. The classes have won various weeks throughout the term.

Certificates will be awarded to all children who have had at least 98% attendance at school during Term 1 in assembly next week. This was 40% of the school. Well done!

WRAPPING UP WARM!

As the weather is now changing please ensure that your child has a warm coat as well as a hat, scarf and gloves so that they can enjoy break time and lunchtime play outside. Please label all items so that they can be returned if lost.

POPPY APPEAL

Poppies and other merchandise will be on sale at the school office for any children who would like to participate in supporting the poppy appeal this week.

Minimum donation £1

SCHOOL MEALS

Don't forget to order your child's hot dinners for the rest of this term. From tomorrow we will not be telephoning to remind parents if an order has not been placed but will be asking for a packed lunch to be provided from home.

CURRICULUM NEWSLETTERS

Please check your child's book bag later this week for curriculum newsletters outlining what your child will be learning this term as well as ways you can support them at home and home learning. There is also a number of links to different websites on our school website under the 'home learning' tab which you may like to use with your child.

ALDI SPORTS STICKERS

Aldi have now finished giving out stickers with shopping. We would be grateful if you can send in any sport stickers that you have at home by Thursday 7th November.

We're on the Web
