REPORTING ABSENCE

If your child is unwell and is unable to attend school please contact the school by telephone where you will be able to leave a message on the automated system. Please ensure you leave your child's name and class as well as the reason they are absent from school.

It is important that children do not attend school for up to 48 hours if they have been vomiting or have had diarrhoea in line with public health guidelines. Thank you for your co-operation in this matter.
