

## WORLD BOOK DAY

Well done to all children and staff members who dressed up for World Book Day last week. The children had a fantastic day celebrating children's literature. Unfortunately we are still awaiting the book tokens and will notify you in due course when we receive them. Further information can be found at [www.worldbookday.com](http://www.worldbookday.com)

The photograph competition closes this Friday so please email your photograph of your child dressed as a book character to [reading@oldbrookschool.co.uk](mailto:reading@oldbrookschool.co.uk)

## DUCK EGGS

Today we received an incubator with Duck eggs inside. The children in Reception are eagerly waiting for them to hatch. This is to support their learning of lifecycles and growth. Look out on our twitter feed for pictures and updates over the coming weeks. [@oldbrookschool](https://twitter.com/oldbrookschool)

## EARLY BIRD WEEK

Punctuality is a really important life skill. Congratulations to all children who attended school every day on time last week. Well done on being an Early Bird. Certificates will be awarded to children this week. As a school this was 88%.

## SAFE PARKING

Thank you to all parents and carers who continue to support our local community members safety by parking smartly, as well as being considerate to other road users and pedestrians.

Unfortunately there are still vehicles being parked in dangerous places. It is everybody's responsibility to promote and support the safety of our children. If you are asked to move your vehicle by a member of school staff please respond politely, it is with good intentions to protect all of the children and families walking to school.

If you drive your child to school, please do not let your child get out of the car on their own. Children must cross the road with an adult and be accompanied into school for their own safety. Thank you for your understanding in this matter.
