

## Scrap Boxes for Home Crafting

With schools and childcare settings closing from tomorrow we want to encourage play and family activities however we can!! 😊

Our Scrapstore at MKPA is still open as normal (please check daily on Facebook and website for updates to this).

In this current situation, we would like to offer an additional service. 💜❤️ If you and your family would rather not come in store, we would like to offer the opportunity to 'Email and COLLECT'. The idea is, place your scrap and shop item order, together with your phone number and email to [admin@mkpa.co.uk](mailto:admin@mkpa.co.uk). Tell us what you would like, we will take a card payment and arrange for collection from our front entrance. If you don't know what items you would like, we have £5, £10 and £15 scrap boxes (price without handmade trug/box) and themed boxes - 'Construction', 'Material/Fabric', 'Painting' and 'Multi-Activity' Boxes.

We are also doing a £5 scrap boxes with a handmade trug box of scrap for £15. We will provide you with a range of scrap for crafting (loose items, paper, paint etc). — at Milton Keynes Play Association (MKPA). We also have Paper Craft Bags for £1.50. This includes 5 crafting activities for children to get involved with.

*We are based at 2 Burners Lane, Kiln Farm, MK11 3HB*

We will be providing a free bar of soap with every collection! 😊🧼

We will try and stay engaged on Facebook to provide you with regular crafting ideas to do at home to keep your mind active (and hopefully your children). If we can get the volunteers, we may even post videos of craft and physical activities to do in your home or in the garden. 🧑🏻🧑🏻👉

💜❤️ Stay safe, stay engaged, stay positive! ❤️💜

\*\*\*\*Please share this with all your parents.\*\*\*\*
