

# Oldbrook First School

## Home Learning

That special time of year has arrived when we celebrate the arts, sports and the year we have spent together. This home learning pack has three sections; home learning for *Arts Week*, home learning for *Healthy Me* and home learning for *moving on* to our new classes and new schools.

Thankyou so much to those who have emailed photos of the children’s home learning. It has been lovely seeing all of their (and your) hard work. Throughout *arts week*, *healthy me week* and *moving on week* please continue to send photographs of your children’s work and creations so that we can celebrate them in school and on our school website. Send photographs to your child’s class email below:

<b>Cygnets</b>	cygnets@oldbrookscool.co.uk
<b>Ducklings</b>	ducklings@oldbrookscool.co.uk
<b>Ladybirds</b>	ladybirds@oldbrookscool.co.uk
<b>Robins</b>	robins@oldbrookscool.co.uk
<b>Frogs</b>	frogs@oldbrookscool.co.uk
<b>Dragonflies</b>	dragonflies@oldbrookscool.co.uk

Each year our arts week is based upon a book. The book chosen this year is called *The Journey* by Aaron Becker. **Visit our school website to find a video of the story under the home learning tab.**

During healthy me week your child will complete a range of activities covering exercise, mental health and wellbeing and diet. The following links will enable your child to follow PE with Joe Wicks, Cosmic Yoga, Meditation and Relax Kids. **Visit the school website and click on the pictures below, then you will be taken to the correct website to complete the activities.**

You can also continue to use the following websites for your home learning:

<b>The PE Hub</b>	<b>Music</b>	<b>Yoga</b>
		
<b>Maths and literacy lessons</b>	<b>Topic lessons</b>	<b>Phonics</b>
