### End of Year Celebrations – Year 2 Pupils

Dear Parents/Carers

Thank you for responding to the on-line survey which has helped us plan for how we can bring children in Year 2 back to school before the end of the year for those who have requested a place. E-mails will be sent directly to families who responded for their child to return w/c 29<sup>th</sup> June. We have also finalised end of year celebrations for children who would like to come into school for a morning in the last week of term. The morning session planned is to support the children to celebrate their time at Oldbrook First School as well as an opportunity to say their goodbyes to staff and friends. Please see below the outline of the morning plans.

#### Wednesday 15<sup>th</sup> July

Year 2 children will arrive at school between 9.00 and 9.10. They will stay in school for the morning taking part in a range of end of year activities and tasks. The children will also have the opportunity to spend time with their friends.

At 12 o'clock we are inviting parents to attend school (weather permitting) to take part in a socially distanced picnic (parents to bring picnic lunch and blanket) on the school field followed by an end of year celebration to congratulate the children and mark the end of their time at Oldbrook First School. (Parents who are unable to attend the picnic will collect their child at 11.50am)

We are asking for the children to draw and write about one memory of their time at Oldbrook which we can share at the celebration and to also practice the following leavers song in preparation which we will all sing together at the celebration:

Please e-mail [community@oldbrookschool.co.uk](mailto:community@oldbrookschool.co.uk) to confirm the following:

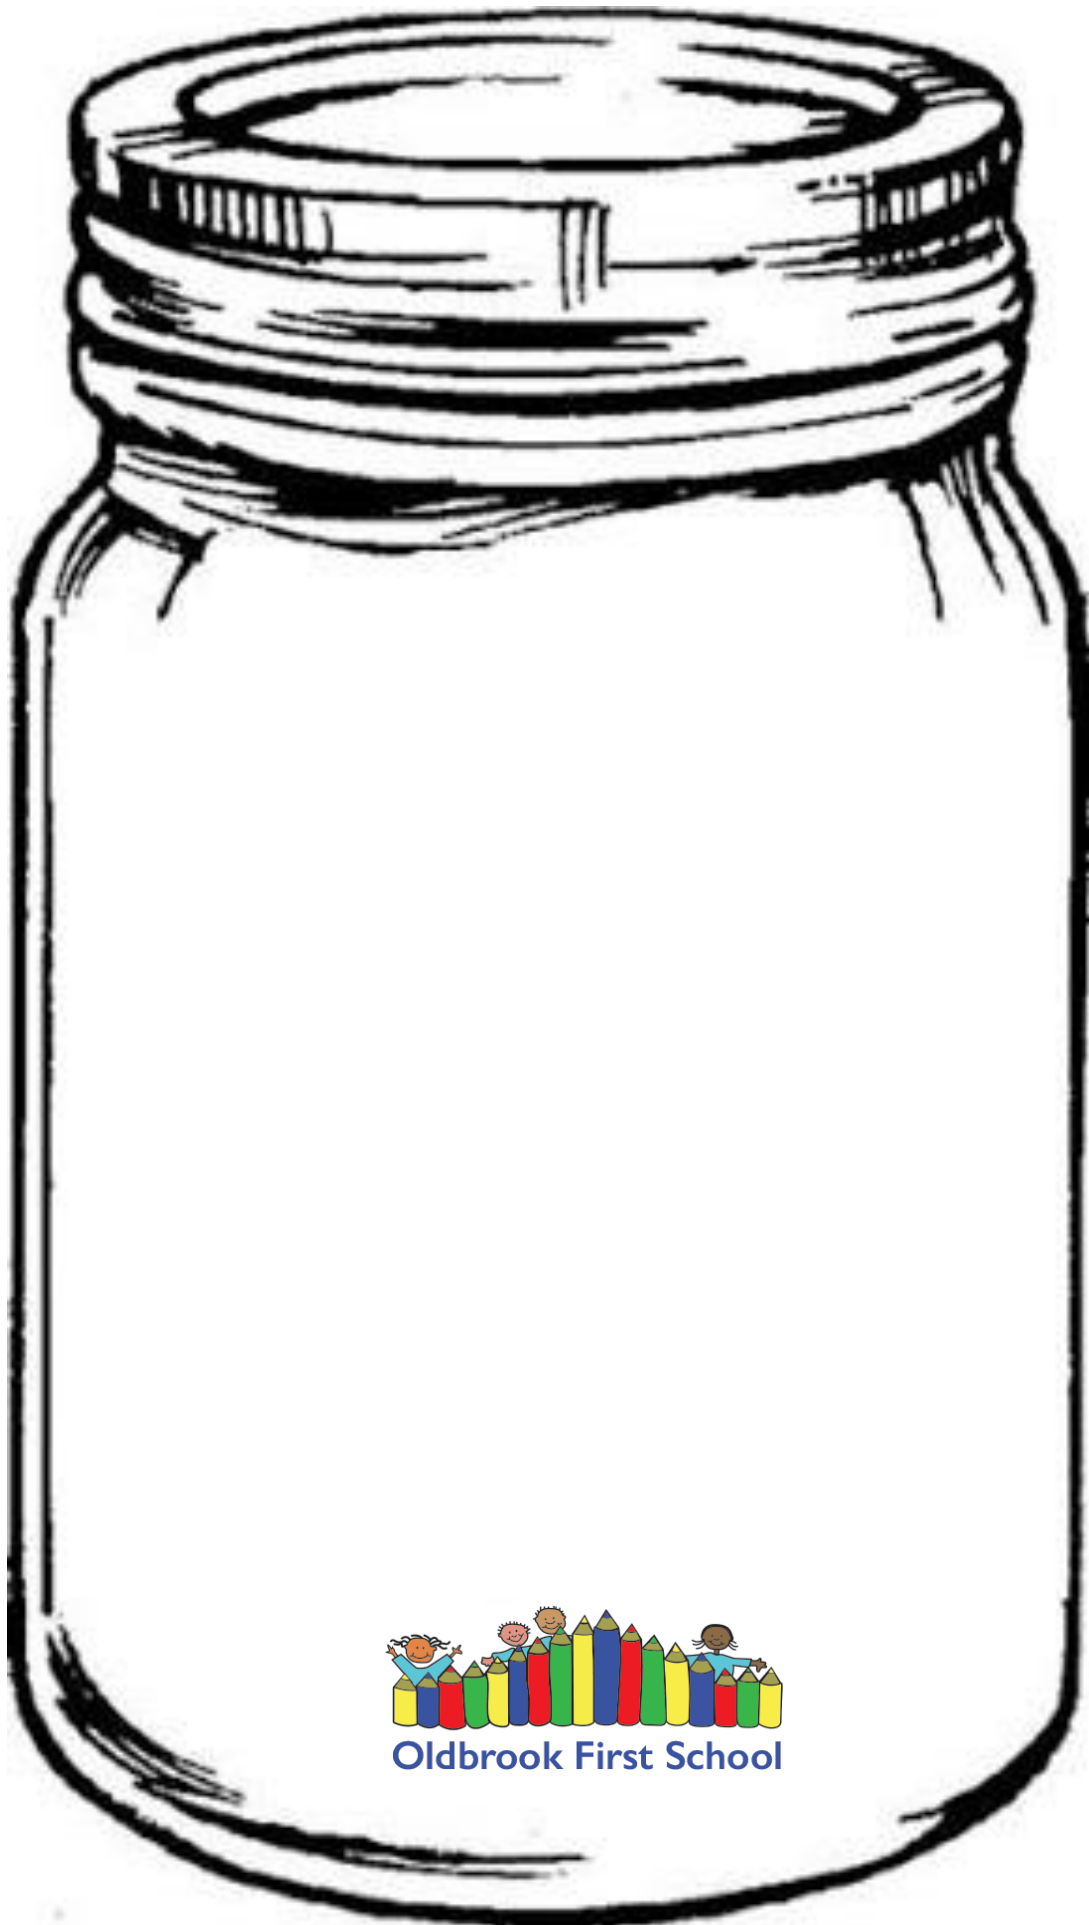

- My child will be attending school for the morning on Wednesday 15<sup>th</sup> July.
- We will be joining our child for a community picnic at 12 o'clock on Wednesday 15<sup>th</sup> July.
- My child will not be attending the end of year celebrations.

We look forward to seeing you all! This will be the last day for all Year 2 children in school and the start of the Summer holidays!
