Parent/Carer

To help my child at school, I know and understand that:

If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school.

We will self-isolate as a family, following the Stay at Home Guidance. I will get them tested and let the school know as soon as possible via telephone of the outcome;

If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately;

I will adhere to the social distancing rules and leave the school site promptly;

When dropping my child off and picking them up, only one parent or carer will enter the school site;

When dropping off and picking up, I will strictly stick to the school timings for my child;

I will send my child with a water bottle to school;

I will remind my child about social distancing and good hand and respiratory hygiene.

I will not be allowed into the school without a pre-arranged appointment and make any appointments via telephone or email;

I will read all letters/parentmails that are sent home;

I need to inform the school immediately of any changes to parents/carers and emergency contact details;

Child
