

### **ENGLISH INTENT STATEMENT**

At Oldbrook we have a rich, multi-cultural community and it is the intent of our English curriculum to provide a curriculum that meets the needs of all of our children. It is our intention to develop literacy and language in order to equip each child with the skills to enable them to become active members of society. We will teach the children how important their reading, writing, speaking and listening skills will be to support them in their future ambitions. We will develop children's vocabulary and communication skills in order that they communicate with confidence and clarity. We will foster a love and pleasure in reading through providing a rich environment which stimulates and encourages children's reading; they will develop phonic and comprehension skills through systematic phonic teaching that will enable them to read and discuss books with understanding. We want to support our children who write with confidence and accuracy for a variety of purposes and audiences whilst developing their own individual flair and using a neat handwriting style. An English curriculum that promotes and develops the literacy and language skills of all of our children.

#### **ENGLISH IMPLEMENTATION**

The English curriculum aims are embedded across our English lessons and the wider curriculum. We have a rigorous and well organised English curriculum and framework, that provides many purposeful opportunities for reading, writing and phonics. We use the 'Talk for writing' approach along with a wide variety of quality texts and resources to motivate and inspire our children. To ensure that phonics teaching is effective we consistently use Read Write Inc and teachers ensure that children who need extra support and interventions are supported effectively. Teacher promote the love of reading through 1:1 reading sessions, whole class guided reading sessions. New vocabulary is planned for and extended in all lessons across the curriculum. We provide a range of enriching activities including 'Everybody Writes' and 'Book' weeks and trips to the Pantomime. Teachers also ensure that cross curricular links with concurrent topic work are woven into the programme of study.

### **ENGLISH IMPACT**

Children at Oldbrook first school make strong progress in all aspects of English, they have a love of reading and writing. They apply their skills to all areas of the curriculum and use their skills to develop their learning in the wider world. They read for pleasure and can talk about favourite books and authors. They write creatively for a range of purposes using a well-developed vocabulary. Most importantly they are well equipped to move forward confidently into the next stage of their leaning.
